## Overview Module Seven Professional Development

This module is designed to introduce the practices that keep children healthy and safe in early learning programs.

### **Student Outcomes:**

- ✓ The student can differentiate between compliance and non-compliance of health and safety regulations.
- ✓ The student can summarize their role as a mandated reporter of child abuse and neglect. The student will identify a healthy physical environment for children, including procedures for health, safety, and sanitation.

### **Required Reading:**

Child Care Center Licensing Guidebook (2nd ed., DEL 2006)

Washington State Family Home Child Care Licensing Guide {2<sup>nd</sup> ed. DEL, 2013}

FOUNDATIONAL QUALITY STANDARDS FOR EARLY LEARNING PROGRAMS, formerly: Chapter 170-300 WAC) updated 11/6/19

1. What kind of health policies and procedures must I have?
2. What are the requirements regarding child abuse and neglect?
3. What do I need to transport the children on off-site trips?
4. What first aid supplies are required in my center?
5. How do I maintain a safe environment?
6. How do I maintain a clean and sanitized environment?
7. How must I store and maintain janitorial supplies?
8. What do I need to know about pesticides?
