

# PILLARS OF EXCELLENCE

## What if Circle Time was a Choice

Copyright 2020 Adaptation Child Care Basics (DCYF 2018)

This course takes a look at why, how, when and if circle time is necessary.

### Learning Outcomes

1. In this training, you will have an opportunity to evaluate the purpose of circle time in your teaching practice and the idea of implementing circle time as a choice for children.
2. After this training, you will be able to evaluate the purpose of Circle time and how to adjust your circle time needs to support the classroom dynamics.
